Thurs 5.00pm - 8:30pm

Cost

Members: FREE (up to school age)
SCHOOL AGE CHILDREN: \$1.50 each (max \$3 per family)

GUESTS: \$1.50 per child

- You should provide anything your child may need, such as bottles, nappies and snacks. Nappy change facilities and cots are available. Supervised morning tea at approx 9:45am & 10:45am. **Please no lollies, chips, popcorn, chocolate, or peanut products**
- Please name all bags, lunch boxes and drink bottles so we can be sure that each child is given the correct morning tea.
- If babies require feeding whilst in childminding, we ask that a parent return to feed them.
- A microwave is available for heating food and bottles.
- As we have children of varying ages in childminding, we ask that children **do not** bring in their own toys as what may be suitable for your child, may not be suitable for a younger child. Soft comfort toys are acceptable
- Children are to be signed in and out by the same person. This person must remain at AJ's whilst the child is in childminding. You need to tell the staff about:
 - Special diet
 - Allergies
 - Special needs or behaviours, and
 - Medical conditions that may require attention - *staff will not give medication*
- Please note that children with infectious illnesses such as a cold or flu, scabies, chicken pox, head lice, school sores or cold sores **will not be accepted** into childminding
- If at any time your child is distressed, your assistance will be sought

Thank you for your understanding and cooperation
